

Wiltshire College IT Services - Access from Home

First Steps

Before you can access any Wiltshire College services from home you will need to activate your **Wiltshire College network account** on this page: [Network Account Activation Page](#).

- To complete this process you will need your **student username (your student number)** and **account activation password** provided by your tutor.
 - There is a guide to completing this activation process available to download: [Network Account Activation Guide](#).
-

Logging in to the Wiltshire College Website

By logging in to the Wiltshire College website, you can gain access to the college **Common Room pages** (which contains general student information and news items) and access to your **Microsoft Office 365 dashboard**.

Your login details are:

- your **student email address** (eg: 123456@student.wiltshire.ac.uk) – this is on your student ID card.
- your **personal college password**

You can access the Wiltshire College website login page directly with this link: [Wiltshire College website login page](#).

Logging in to Office 365 Directly

Office 365 provides you with access to web versions of **Word, PowerPoint, Excel and Outlook**. You are also able to access **OneDrive** (Cloud file storage) and downloadable versions of Office products.

You can access **Office 365** directly using this link: [Office 365](#)

Your login details are:

- your **student email address** (eg: 123456@student.wiltshire.ac.uk) – this is on your student ID card.
 - your **personal college password**
-

Logging in to eStudy

eStudy has a wide range of online resources and activities related to your programme of study and this service is available to access from home using any device with an internet connection. Resources are available for your main programme and for any maths or English qualifications you may be studying.

You can access eStudy directly using this link: [eStudy](#)

Your login details are:

- your student **number** (eg: 123456)
- your **personal college password**

Further Information

For more information about Wiltshire College services and how to use them, please view the **Learning Technologies & Resources pages** on the Wiltshire College **Common Room** site: [Learning Technologies & Resources Help Pages](#)

You will need to log in to the Wiltshire College website to access this page – see section above for further details.

If you encounter any issues or need further assistance, you can email the **Learning Technologies department** via this email address: ilt@wiltshire.ac.uk
